

CPSIA CERTIFICATE OF COMPLIANCE

LINEAR RESIDENTIAL AND COMMERCIAL GARAGE DOOR OPERATORS

This certificate of compliance provides information as required by section 14(g) of the Consumer Product Safety Act, 15 U.S.C. §2063(g). This certificate includes all models of Linear LLC (Linear) manufactured residential and commercial garage door operators.

Linear certifies that all models of Linear manufactured residential and commercial garage door operators with the following manufacturing dates are certified to the requirements of 16 CFR Part 1211:

Models:	LDO33, LDO50, LSO50, LCO75
Serial Number:	YYYYMMDDTSSSS (Year, Month, Day, Tester, S/N)
Manufacturing Date:	YYYYMMDD (Year Month Day) see serial number.

The serial number is located on the inside rear wall of the plastic wrap cover. It is included with other electrical and safety testing data for that particular garage door operator.

The operators referenced by this Certificate of Compliance have been tested and are Listed by Underwriters Laboratories Inc. to UL325. UL325 is the standard for "Door, Drapery, Gate, Louver and Window Operators and Systems". The UL Listing is indicated on the product and its' carton.

Testing for operators covered by this certificate occurred at Northbrook IL at the UL Testing Laboratories, Inc.

Most recent testing dates proving compliance are:
September 23, 2008

Production of this product occurred at Linear China Manufactory, Guangdong, China.
